Close Download		CANCEL OK

- 3)
- a) Depending on the type of Android device you are using, you should see a downloading icon in the top of your screen similar to what is shown below. When the application has completed download, you can either click the OPEN message at the bottom of your screen (if prompted) or swipe down from your notification bar at the top of your device to show the download has completed and tap on the Rapid Pass notification.

b) After opening the Rapid Pass download, you will need to install. Tap on INSTALL at the bottom of the screen. Depending on your security settings, you might have to allow applications from sources outside of the Google Play Store. You can adjust this by clicking on the setting button shown below (if prompted) or by going to your Settings > (General) > Security > Unknown Sources.

b) If you have not received the email from RapidPass_Support@homedepot.com, return to the Rapid Pass mobile application. You can choose to resend the email by clicking on the first link. If you still do not receive the email, click on the second link to return to the registration page and make sure you entered the correct email address.

c) If you have tried each of those steps and are still unsuccessful, send an email to RapidPass_Support@homedepot.com with your contact information and someone from the Rapid Pass team will reach out to you.

FAQs

Where can I use Rapid Pass?

Rapid Pass can be used at any Home Depot location in the United States.

How long is the coupon generated by Rapid Pass good for?

After entering a property address, the coupon displayed can only be used one time.

Can I make multiple purchases on the same property?

A valid client property address can be entered multiple times to retrieve a new coupon for each transaction.

When should I use the application in the store?

Do not display a coupon until you are ready to checkout. The coupon can be scanned at any point during the transaction before final payment.

Can I use the Rapid Pass coupon with other coupons?

The coupon generated from Rapid Pass is not combinable with other offers.

Does Rapid Pass affect my Home Depot Pro Xtra account?

No. Rapid Pass does not affect your Pro Xtra account. You will still gain credit for all of your purchases as long as you enter the correct Pro Xtra ID or you are paying with registered tender to your Pro Xtra account.

Can I use Rapid Pass in self-checkout?

If using application through the self-checkout line, the barcode number will need to be entered by The Home Depot associate at the central kiosk at the front of the self-checkout stations. It is recommended to go to the Pro Desk or standard checkout line in order to scan the coupon.

Additional questions?

If you have additional questions, you can contact the Rapid Pass support team with The Home Depot. RapidPass_Support@homedepot.com
