## Program Description

PPG and The Home Depot have partnered with First Key Homes to offer a full selection of products to meet the needs, performance characteristics and competitive pricing for our internal and external crews

## How To Unlock Rapid Pass Pricing

This pricing can be unlocked by using the **Rapid Pass** at the register during every transaction to ensure the maximum discount is received and accurate product usage is recorded. **Must use your company name at checkout**

## How To Order Paint At The Home Depot

1. Walk up to The Home Depot desk and tell them that you want to order paint with the color name "First Key Homes"
2. When asked for a phone number, tell them to proceed without saving
3. When asked for a color name tell them the easy order number with the product, sheen and color you want

a. Must use FKH colors for interior paint for walls and interior paint for trim

Use the "Easy Order SKU" for these products: Interior Paint for Walls( Color FKH Grey), Interior Paint for Trim (Color FKH White)

Provide a sample to be color matched for these products: Exterior Paint for Walls and Exterior Paint for Trim
